A Note from Pastor David

I am still not feeling well but making some progress. I look forward to
the day when I can be with you all again.

I heard the following on a Voice of the Martyrs Radio Podcast:
In 2013 there were 5,000 unreached people groups in the world.
Today there are 500, that is tremendous progress. Within a few years
there will be NO unreached people groups. Praise the Lord!
